All cars should either park in driveway, or turn around & park up top, cars should be facing the main road. If the lights on the fence are on we are in the studio.

Please pull all the way forward to allow other cars to park or drop off.

Please drive slowly and be aware of children at all times.

### THINGS TO KNOW

Our studio is located in a neighborhood, adjacent to our home. We lovingly like to call it the Neighborhood Dance Studio.

During the summer & fall the studio & its surrounding grounds will be undergoing seasonal maintenance, nothing should be in way but please excuse our mess as we maintain & beautify.

Late last season a cat adopted us.

Her name is Pas De Chat (aka Step Of The Cat).

She is very sweet but you do not need to interact with her if you do not wish. Please only pet her on head & she doesn't like to be picked up.

### ETIQUETTE

Please label dance shoes/wear.

Students are encouraged to bring snacks & drinks; they can also purchase snacks & drinks at the studio.

Please encourage dancers to pick up after themselves.

Please do not stand on furniture.
