

OUR CORE VALUES

Be encouraging to each another, we all have doubts, be the reason someone smile's today!

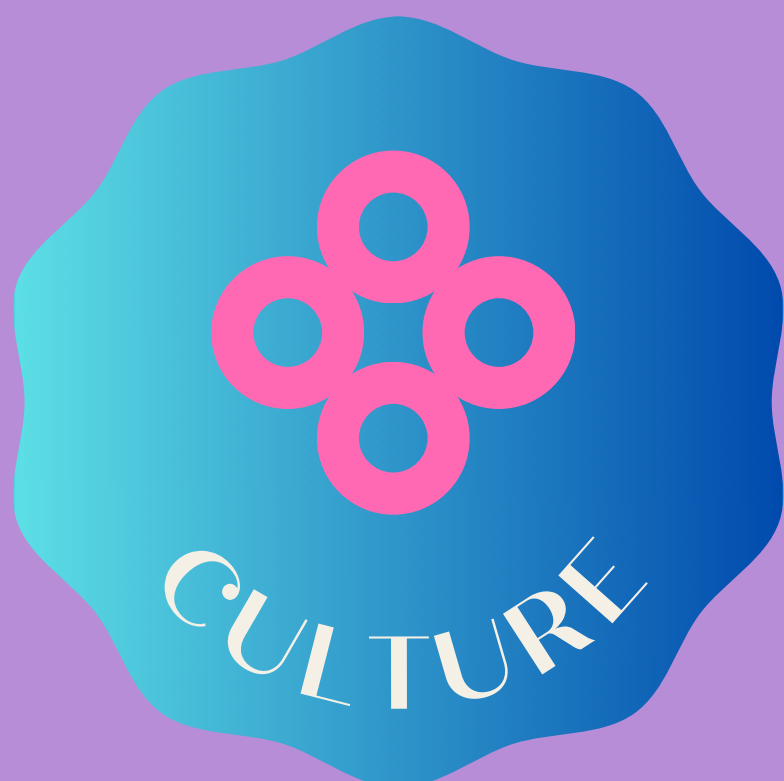

Respect your teachers & peers. We will have fun & joke around but there is a line & we all must be aware & respectful of it & others.

Be loving toward each other, you never know what someone is going through. Be there for each other!

Engage in your classes, we strive to have a relaxed environment, but we also expect you to engage, work hard, & be prepared.

We want the studio to have an amazing culture, that is encouraging, respectful, loving, & engaging but this can't fall to a few people, culture involves everyone!

We should treat others as we wish to be treated. "Do to others as you would have them do to you." Luke 6:31

We all have bad days & we can make mistakes, but this is not something that should be a weekly occurrence. We expect our students to strive to embody these values.

If we do have a bad day or make a mistake, we must forgive ourselves, forgive others, learn from our mistakes & keep moving forward :)
